ARTS SOCIETY PRIVATE VISIT TO CHEESEBURN GARDENS TUES 2 JULY

We have booked a private tour of the wonderful annual Sculpture Show at Cheeseburn Grange Hall Stamfordham NE18 OPT 10 miles west of Newcastle on the B6324 close to Stamfordham, 10 miles east of Hexham and 4 miles west of Ponteland.

This unique event has ORIGINAL sculptures throughout the gardens and woods with inside visits to the interesting chapel and converted stables. We are very fortunate to have such a marvellous venue in our locality.

We plan to meet at 10.30 a m at Cheeseburn travelling in our own private cars and would be grateful if members would offer to take others without transport (see form below) Tea or coffee and delicious home-made cakes will be provided and the curator will talk to us about this year's show.We are then free to wander to the indoor gallery, the chapel and the gardens and woods, leaving individually whenever we wish. I plan to put drivers offering lifts in touch with those needing lifts to make their own personal arrangements.

Please pay me on arrival £10 per head in cash to cover visit and refreshments.
